

FRIDAY UPDATE—MARCH 4, 2005

*The weekly update of the activities of the Indiana General Assembly
A publication of the Indiana Judicial Center*

We are now at the halfway point of the session. This installment of the Friday Update is a series of topical charts detailing the status of bills of interest to the Judiciary that were heard on third reading. If a bill was amended at any stage in the legislative process, it is designated with an “-A” at the relevant stage.

If you are interested in reading the text of any bill introduced this session, you may find bill information on Access Indiana at http://www.in.gov/serv/lisa_billinfo. You may access past issues of the Friday Update at <http://www.in.gov/judiciary/center/leg/index.html>.
